

# DOVE INTERIORS CARPET ONE

When it comes to flooring...nobody does it better

---

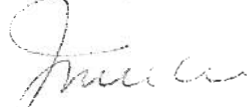

March 1, 2009

To whom it may concern:

I have be acquainted with Rich Panek for about 1 year, and have used his service for my business and personal computers. I found Rich to be extremely knowledgeable pertaining to all of the problems I was having with the software and virus that had downloaded on several of the computers.

I would recommend Rich Panek with out any hesitation. I feel anyone using him will be completely satisfied with his work.

Yours truly,

Joan M. Miller  
President
